

# WOOD SUPPLY

## REGIONS AND TERRITORIAL AUTHORITIES

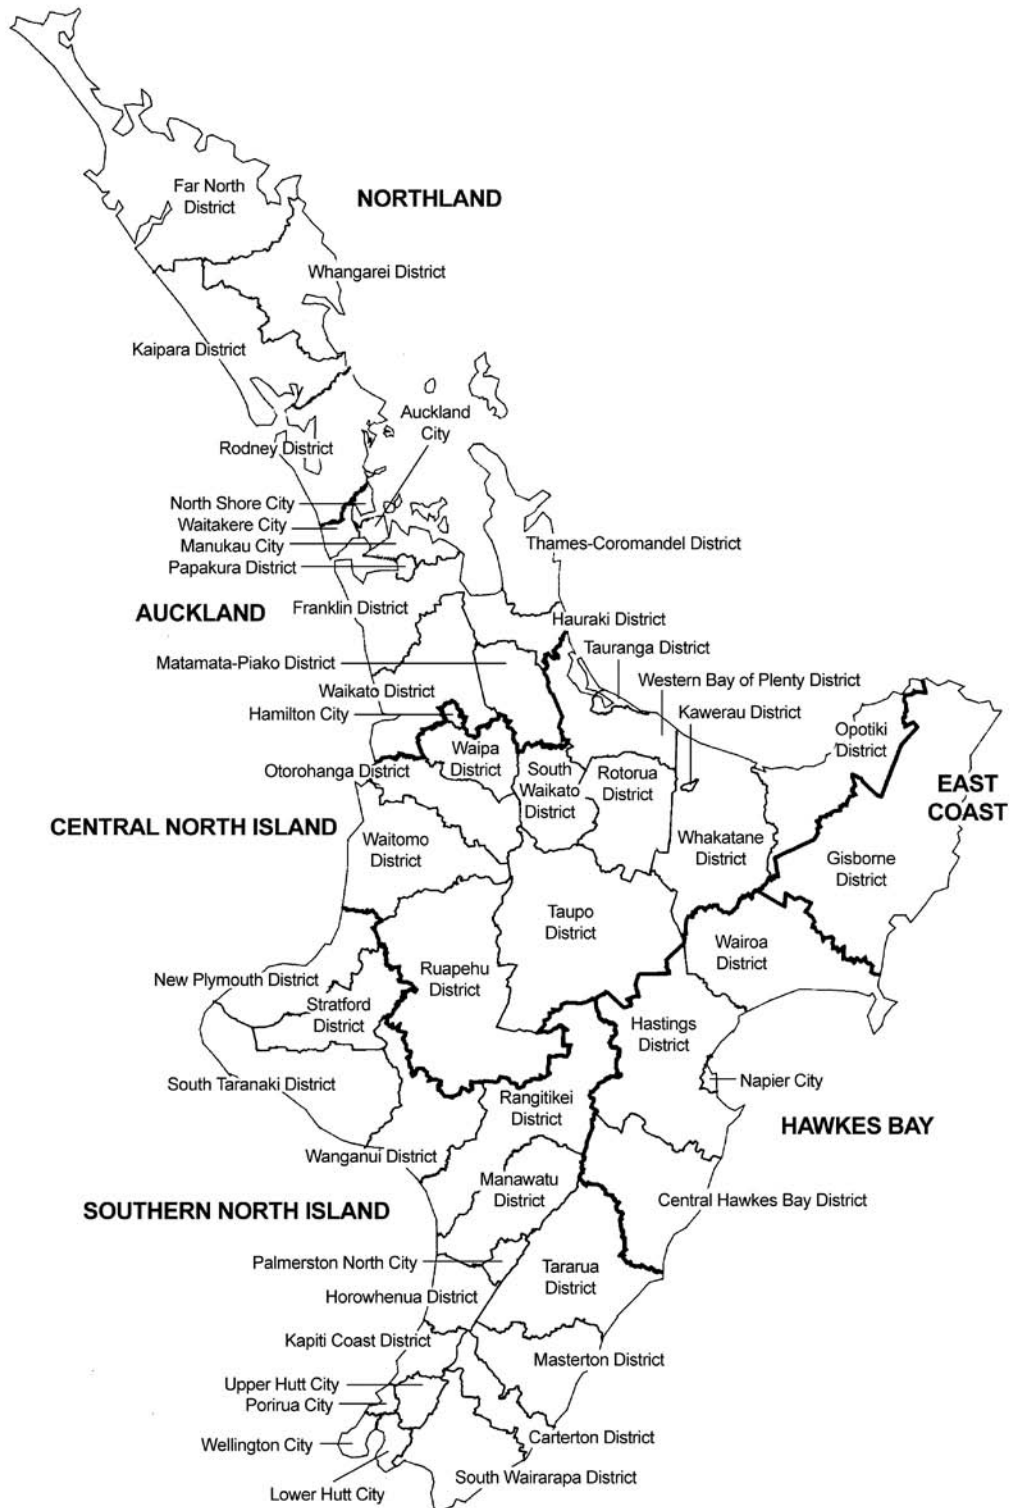

# 7

There are currently 72 district and city councils in New Zealand. These are grouped to form 10 wood supply regions of broadly similar growth patterns for radiata pine, representing wood supply and processing catchments. These wood supply regions are: Northland, Auckland, Central North Island, East Coast, Hawkes Bay, Southern North Island, Nelson and Marlborough, Canterbury, West Coast, and Otago and Southland.
